## III. Campus Guide & Important Notes

### 1. Dormitory Exclusively for Graduate Students

Daegu University offers rooms in the International House(국제2관) exclusively for graduate school students to enhance their academic achievement and facilitate research. All Global Korea Scholarship students can stay in the International House if they want. Currently there are 60 graduate students in 30 rooms and each room is equipped with a refrigerator, a TV and a balcony, beds, desks and chairs, and more (washing machine on each floor). And with 15 cafeterias available on campus, students can choose food on their own taste.

### 2. Important notes for applicants

- A. When using Korean domestic postal service, the application materials should be post until the day of the application deadline (documents must be sent by express registered mail). In case of international airmail, document should arrive before the deadline.
- B. Please notice the following items before submitting your application document :
  - All documents must be originals
    - ※ All documents not in English or Korean, must be translated and notarized. A copy of applicants' diploma certified by the university (with university stamp) can be substituted with the originals.
  - Apart from the documents required by the NIIED, another certificate showing the relationship between the applicant and his/her parent should be submitted (this should include information about the nationality of parent).

### 3. Additional Information (Support for GKS Students)

- A. Administrative support: Daegu University tries its best to assist Global Korea Scholarship(hereafter GKS) Scholars with the best service. We provide full support to GKS students including academic counselling, dormitory management, immigration services, and a variety of other administrative support in cooperation with the International Affairs Office so that the scholars can devote themselves to

their study under less cultural shock and emotional difficulties.

We have personnels who can speak English, Chinese, Mongolian, Vietnamese and other languages who can facilitate students' communication and ensure better adjustment.

**B. Administrative, Counselling**

- Daily Support: We keep our students informed about important information such as scholarship and other useful information through email and our web-site.
- Academic Counselling : At the completion of their Korean Language program and their entrance to the Graduate School, students are provided with counselling by their advisers and assistants from each department. Daegu University does its best to minimize the difficulties students may encounter in living and studying.

**C. Scholarship and Welfare Support**

- Reasonable accommodation exclusive for international students : approx. USD 910 for twin-bed room for six months.
- Modern sports center serviced in a quote reasonable price available near the dormitory (golf, swimming, health club, movies etc)
- Besides the Global Korea Scholarship, Daegu University provides extra scholarships to encourage students' academic achievement and better thesis.
  - Level A : when publish thesis in an international academic journal – maximum 1.5 million won of scholarship providable
  - Level B : when publish thesis in a journal accredited by the National Research Foundation of Korea or in case awarded in an international exhibition - maximum 700 thousand won of scholarship providable
  - Level C : when publish thesis in a journal accredited by the National Research Foundation of Korea or in case awarded in a national contest -maximum of 500 thousand won providable
  - Level D : when publish thesis in international or national general journals - maximum of 300 thousand won
  - Level E : maximum of 200 thousand won providable when scholars give presentation at international or national academic conferences

**D. Orientation and Korean Cultural Experience Programs**

- Academic orientation for newcomers

Classification	Contents	notes
Orientation	<ul style="list-style-type: none"> <li>- Campus tour</li> <li>- Guide to the dormitory life</li> <li>- Visa information</li> <li>- Useful information on campus</li> </ul>	Offered in different languages (English/Chinese/Mongolian/Vietnamese and more)

#### 1. About Dongseo University

- Dongseo University was founded on the Christian tenets of 'Love God' and 'Love thy neighbor'.
- Dongseo has become a hub university in Asia with a global network of over 150 international sister schools and industry affiliates.
- Offering innovative education is a key focus of Dongseo University.
- Students give back to local and international communities through

outreach programs.

- Dongseo University is first in its region and top-7 nationally in career placement.

#### 2. The Graduate School of Dongseo University

- The Graduate School of Dongseo University was established in 1996 in the spirit of Christianity with the purpose of researching advanced theories and teaching practical skills. The Graduate School began with just a single major (Electronic Engineering) but has since expanded to currently include 8 master's programs and 5 doctoral programs.

Our graduate school has a vision to foster the most competitive experts in the world. The research we conduct trains students to be leaders in their fields through combining high-quality education and academic-industrial cooperation.

We invite you to follow the links below to explore the exciting study opportunities available in the Graduate School of Dongseo University.

#### 3. Specialized Majors

##### 1) Visual Contents

- As the 21st century becomes increasingly information based, demand for experts in IT fields will continue to grow. The Graduate School of Visual Contents at Dongseo University aims to meet the coming demand by nurturing creative and highly skilled human resources to lead the visual industry sector.

Visual Contents includes areas such as video games, animations, special effects, visual marketing/promotion, etc. Students previously majoring in engineering will be able to gain artistic sensitivity, and students previously majoring in art will be able to gain skill in engineering. The Graduate School of Visual Contents offers an interdisciplinary program that helps students develop their understanding of fundamental technologies and theories needed for working within related industry fields, teaching at universities or developing new ideas at research institutes.

## 2) Ubiquitous IT

- Rapid developments in computing fields and IT, along with ready access to broadband and high-speed communication services, have made Ubiquitous IT a key component of our information-oriented society. This new paradigm for digital interaction creates countless possibilities for innovation and development. The prevalence of Ubiquitous IT will increase in years to come and so too will the demand for personnel able to create Internet application services, multimedia contents, games and animations. Other necessary skills will involve installing and maintaining various types of networks.
- The Graduate School of Ubiquitous IT at Dongseo University is focused on IT technology including software, hardware and application fields. Our graduate school emphasizes not only theory but also field experience so students can acquire the knowledge and skills they need to work in industry or academia.

## 3) Bio-Chemical Engineering

- The department of Biotechnology offers varied educational opportunities which enable students to adjust to globalization and our modern information based society. The purpose is to contribute and strengthen national competitiveness, by nurturing our professional human resources for the future biotechnology industry.
- Biotechnology is a field for applied engineering combined with several disciplines such as chemistry, biology, engineering and genetics. Biotechnology includes the study of microorganisms, cells of animals and plants. It also covers the analysis of cell functions and engineering parts. The study of biotechnology ranges from food and medicine to the engineering aspects of these subject matters.

## 4) MBA

- A global business world has opened. The world needs practical managers with expertise in globalism to change the world. The Busan-Fukuoka Cross-Border Graduate School of Business Administration is established to educate experts who will lead in the development of the Busan-Kyushu region. The graduate school offers the best curriculum for fostering of professional business managers who will be well informed on both domestic and international economic matters, as well as international business management.

## 2. About the Dynamic City of Busan

- Busan is South Korea's second largest metropolis and is located roughly 330 km (200 miles) southeast of the capital of Seoul. As the world's fifth busiest shipping port, Busan is truly an international hub. It has hosted prestigious events including the Asian Games, the FIFA World Cup final, the APEC Conference, and the Busan International Film Festival, which has helped Busan to develop an infrastructure enabling visitors to comfortably and conveniently experience its many interesting sites.

## III. About Ewha

### Overview:

Ewha Womans University was founded in 1886 as the first educational institution for women in heart of Seoul, Korea. Ewha is one of the Korea's most prestigious private universities and the largest women's university in the world. Around 200,000 students have graduated from Ewha, and 25,000 students are studying in 11 colleges and 15 graduate schools. Ewha's vast alumni network comprised of almost 200,000 graduates will also be a great resource for international students to draw from, before and after graduation, as they explore new opportunities and pursue their dreams on the global stage.

Since 2008, Ewha Womans University has been selected as one of the Korean Government Scholarship Program(KGSP) universities. Ewha has accepted KGSP students from manifold countries and it is one of the most popular destinations for KGSP students. Currently 102 students from 55 countries are studying various majors in Ewha.

Our vision is to nurture competent women leaders who possess a broad mind and global insight. Ewha will help you grow as a global leader, equipped with academic competence and solid integrity.

### Important Facts and Figures:

- Ewha's proud pioneers include a long series of Korea's firsts—the country's first woman Ph.D., medical doctor, lawyer, CEO, Minister of Government Legislation, and Prime Minister.
- Among women lawmakers appointed to the 19th National Assembly (2012-2016), 27.6% are Ewha alumnae.
- Departments nationally ranked 1st: English Literature & Language, History, Sociology, Law, Education, Mathematics, Physics, and Environmental Science and Engineering.
- Ewha ranked 5th among Korean universities in Chosun-QS 2010 Evaluation of Asian Universities.
- Ewha ranked 5th among Korean universities for the number of successful candidates in the

National Judicial Exam and Civil service Exam (2012).

## Graduate Dormitory & Important Notes

Facility	Room Type	Homepage
Graduate Dormitory	Double Room	<a href="http://dmtrygr.ewha.ac.kr">http://dmtrygr.ewha.ac.kr</a>

Ewha Graduate Student Dormitory, designed by Korea's top notch architect Kim Won in September 2006, has an easy access from everywhere on campus and a renown for its beautiful outlook. It serves as a "second-home" to 460 graduate students, international students, students in language programs, professors & researchers from 50 countries all over the world. Along with the Ewha-Samsung international House(dormitory for exchange students) adjacent to it, Ewha Graduate Student Dormitory makes the little "global village of Ewha."

Ewha Graduate Student Dormitory established consists of two 9-story buildings which sum up to 16,597<sup>m</sup> gross area. It has an inner court with two beautiful lawns that provides a rest for all residents. Especially, 12 glass lighting devices create a romantic atmosphere after sunset. Subsidiary facilities such as computer room, seminar rooms, reading rooms, prayer room, lounge, fitness room, laundry & ironing room, and kitchenettes provide a perfect convenience for residents.

Events on birthdays, Easter, Thanksgiving are great social offerings of dormitory life. With its excellent facility, the dormitory plays an important role in promoting intercultural communication and Ewha spirit within residents.

## Important Notes

- (1) Applicants should meet the application requirements for 2015 KGSP for Graduate course.
- (2) Applicants will be accepted for admission through a comprehensive evaluation of her academic ability, achievements and development potential, based on submitted documents (A screening interview may be required of the applicant when necessary. An overseas interview or a telephone interview may be arranged for overseas applicants).
- (3) **Other relevant materials may be required, according to the policy of the specific college or department to which you are applying.**

## III. Campus Guide & Important Notes

### 1. Campus Guide

#### I) KU:L House (On-Campus Residence)

- KU operates on-campus residence halls called KU:L House
- It has one-bed room or two-bed room types, and the housing facility can accommodate up to 3,000 students.
- Each room is equipped with an independent air conditioning system, a refrigerator, cable TV, wired and wireless internet.
- Each residence hall has laundry room, individual mail boxes, and a cafeteria. (Meal plan is optional)
- KU:L House also has gym facility and runs various training programs for students. (Yoga, k-pop dance, etc.)
- Room and Board placement and its payment runs on a 6-month basis, and KU:L House does not refund any money to any early retirees from the residence.

#### II) Financial Aid to KU:L House Students

- KU supports GKS students at KU:L House on their room and board expenses for up to KRW 150,000 per month.
- Actual payment each GKS student will make is around KRW 220,000 per month. (Excluding meal plan fees)

#### III) GKS Mentor Program

- GKS students at KU will be tied up with a group of mentors and they will support GKS students for successful settlement.

### 2. Important Notes

#### I) Preparing Application Documents

- All applicants should refer to the list of required application

materials proposed by NIIED and make sure none of the requirements are missing.

- Self Introduction and Study & Research Plan, if not directed by NIIED, should be more than one page each. (A4 format, font size 12pt)
- Recommendation Letter has to be written by your academic advisor or the dean(or president) of your graduating university and it should be in English or Korean. Otherwise, the recommendation letter has to be translated and notarized before submission.
- Your passport expiration date should be long enough to prevent any potential problems related with sojourn matters while residing in Korea. (3 years and more recommended)
- Academic Transcript and Graduation Certification should be issued in English or Korean, otherwise the documents has to be translated and notarized before submission.

#### II) Application Material Submission

- All application materials should be submitted as directed by KU on time.
- If any missing documents found upon submission, the application will be automatically considered incomplete and taken out from the admissions screening process.

#### III) Requesting Additional Documents Submission

- For all successful GKS candidates, KU can, if needed, request designated students to submit additional documents to supplement their paperwork completely.
- The additional documents can range from a complete academic transcript to graduation certification and each GKS candidate should comply with KU directions and its admissions policy.

## III. Campus Guide & Important Notes

### 1. Campus Guide\_Location

The KOREATECH campus is located in Byeongcheon, near Cheonan city. From KOREATECH, Seoul(South Korea's capital and largest city) is easily reached by bus and it takes 1 hour.

Also KOREATECH offers a number of daily shuttle busses to and from Cheonan and Seoul.

### 2. Campus Guide\_How to get to KOREATECH

#### ■ By Bus

- From the International Airport, take a bus to Cheonan and get off at Cheonan Bus Terminal, then take a intercity bus or taxi to KOREATECH. (app. 20km, 20,000 Korean won)

#### ■ By Express train (KTX)

- Take KTX train and get off at Cheonan-Asan Station, then take a taxi. (app. 20km, 20,000 Korean won)

#### ■ By Train/Subway/Express Bus/Intercity Bus

- Get off at Cheonan Station then take a bus (No.400, app.40 minutes) or a taxi. (app. 17Km, 20,000 Korean won) to KOREATECH.

#### ■ By Car

- Take the Gyeongbu Express Highway and exit through Mokcheon Toll Gate, turn right and proceed straight for 5km.

### 3. Campus Guide\_Major Facilities

#### ■ Dormitories

- Five general dormitory buildings (main corridor, shared shower and toilets)

- One studio-type dormitory building (room with individual shower and toilet)
- One apartment-type dormitory building (3 to 4 rooms for 2 to 3 persons per unit)
- One English-only Dormitory building (same as apartment-type dorms, English spoken) Approximately 70% of all students live in our dormitories.

#### ■ Cafeterias

Three cafeterias are available on KOREATECH campus (Student Cafeteria, Snack Bar, Faculty Cafeteria) and the price of the meals range between 2,500~4,000 won depending on menu item/cafeteria.

#### ■ Sports Facilities

Sports facilities on campus include outdoor and indoor gymnasium, squash rooms, fitness center, table-tennis rooms, among others

#### ■ Convenience Facilities

KOREATECH convenience facilities on campus include banks, kiosks, coffee shops, optician, bookstore, hair salon, public health center, among others.

#### ■ Library

The Dasan Information Center of KOREATECH which takes its theme from Dasan, Jeong Yak-yong one of the greatest Realist Confucianism scholars of the Chosun period, is a cutting-edge facility with 250,000 books. The library has a special hall for various books on vocational training and specialty publications.

## 4. Campus Guide\_Life on Campus

#### ■ Student ID Card

In general, all international students are required to carry with them at all time an alien registration card registered at the Immigration Office according to the Immigration Act. On campus, international students will be issued student ID cards that are used to enter dormitories and classrooms, kiosks, coffee shops, campus bus, borrowing books and used as debit cards, among others.

#### ■ Student Clubs

Some 60 students clubs are available on campus, covering various sports, leisure, culture and arts, religious and volunteer services, as well as various academic fields. The clubs are also open to international students.

#### ■ Major Events on Campus

Exciting activities take place on campus including the Hanmaek Festival, a cultural festival organized by the Student Union and Student Clubs in May every year, an academic festival held in October. During the academic festival period, graduates display their year-long work in an exhibition. Furthermore, various events take place around the dormitories, such as the festival at Resident Student Night organized by the individual dormitory councils, and various sports games and competitions led by Student clubs take place on the campus that add to the dynamic spirit on campus.

## 5. Important Note

#### ■ Korean Proficiency Test

Minimum Korean proficiency Requirement for Applicants- At least level 3 in TOPIK ( Test of Proficiency in Korean)

#### ■ Dual applications are not accepted.

Applicants must apply for this program via only one institution

- Applicants must maintain a grade point average (G.P.A.) of at least 2.64 on a 4.0 scale, 2.80 on a 4.3 scale, 2.91 on a 4.5 scale, or grades/marks/score of 80% or higher from the previously attended institution.

If an applicant does not satisfy the above GPA criteria, he/she will be disqualified from applying to this program.

#### ● Introduction of Kyungsoong University

In 1955, Kyungsoong University is established by the Reverend Dr. Kim Gil-Chang, a pioneer of Christianity in Korea. the university has 9 undergraduate colleges (Liberal Arts, Law and Politics, Commerce and Economics, Science, Engineering, Pharmacy, Arts, Theology, and Multimedia) encompassing 5 different faculties and 50 departments. 1 faculty and 10 departments offer classes through the Evening College. In 2004, the Ministry of Education & Human Resources set our school's maximum enrollment for freshmen at 3,120 students. There are 7 graduate schools (General,

International Management, Multimedia, Education, Social Welfare, Clinical Pharmacy, and Digital Design). 9 affiliated organizations and seven affiliated research institutes have been established to aid teaching and research. Kyungsoong University's 700 employees and over 13,000 students are all working together to achieve the school's educational goals.

#### ● Introduction of Busan

Kyungsoong University is located in Busan, the 2nd largest city in Korea. Busan is a beautiful coastal city with two of the most famous beaches in Korea, Haeundae Beach and Gwanganli Beach. Kyungsoong University is located in center of Busan and Busan is the first port city which Busan International Film Festival (BIFF), Busan Sea Festival, Busan Fireworks Festival, Busan International Rock Festival, Busan Biennale, The New Year Festival and various festivals are held every year.

- Attractions in Busan : Busan is usually called 'Marine City' by many people. There are many famous beaches, such as Haeundae, Gwangan-li, Song-jung Beach, Song-do Beach, and Dadaepo Beach. Busan is the city of mountains as it is named. Most of the mountains are at an elevation of about 500 meters which is not very high, nor low. There are well-known mountains such as Geumjeongsan Mt., Jangsan Mt., Baegyongsan Mt., Hwangnyeongsan Mt., and Seonghaksan Mt. Famous parks in Busan are APEC Nuri Park, Children' Grand Park, Youngdusan Park, Geumgang Park, Amnam Park, and Samnak Riverside Park. Cultural Centers of Busan are Busan Cultural Center, The National Center for Korean Traditional Performing Arts in Busan, Busan Museum of Art, Geumjeong Cultural Center, Haeundae Cultural Center

#### ● Dormitory(Nuri Dormitory)

The Nuri Student Living House, Kyungsoong University's dormitory, was built to attract excellent students who are from the suburbs and to correspond with the new image of the university of a high-quality institution. The 15-story Nuri Student Living House can accommodate around 660 students in 330 rooms. Each room can accommodate two students and is designed with a deluxe bathroom, HVAC and refrigerator so that students can enjoy the most pleasant and comfortable campus life. As subsidiary facilities, there are a fitness center, a table tennis room, laundry rooms for men and women, dining room holding up to 400 people, a convenient store, a post office, a student lounge, an internet cafe, a party room, a students' autonomy office, a language lecture room, a conference room and an assembly hall. Besides, rest rooms, meditation rooms and reading rooms are provided on every third floor

respectively.

● Sports Center

Our university operates a sport center in campus to lead more balanced student life to be healthy and happy. The sport center is equipped with a variety of exercise equipments for both aerobic exercise and work with weights and it have indoor swimming pools that have no chemical smell by setting up ozone filtering systems, water softeners, and facilities for blocking ultraviolet rays. Also in the sport center, there are a fitness center having a wide space for stretching, Squash Court fitting out with wooden floors and safety glasses and Aerobics room equipping with optimal surround sound systems and wooden floors.

● Welfare Facilities For Students

Kyungsoo University's student welfare facilities consist of student convenience facilities and general campus facilities. Student convenience facilities include the departmental meeting rooms, men's and women's lounge areas in each college, club meeting rooms, and student council offices. Campus facilities include student and faculty cafeterias, snack bar, general store, barbershop, beauty parlor, copy center, photo shop, optical center, computer store, travel agency, coffee shop, bank, and post office.

● Cultural Life on Campus

Throughout the years many kinds of academic and artistic festivals are held to enhance school spirit and to further the ideals of the university. The Daedong Festival is held each year around May 30, the anniversary of the founding of Kyungsoo University. Each department also holds its own "Fall Festival" during the fall semester. Various volunteer service activities are carried out by student groups including volunteer agricultural service three times every year during the spring, summer, and fall.

#### V. Application Procedure

Admission decisions are based on the candidate's academic achievements and potential, as well as his or her personal accomplishments.

The admissions committee reviews a number of factors including records of past studies (such as GPA), study plan, personal statement, and letters of recommendation. Other records of achievement and specific qualifications such as language proficiency are also taken into consideration. Candidate's application is reviewed in the context of the level of studies completed, quality of achievement and characteristics of institutions attended. Finally, the appropriateness of the applicant's academic goals and suitability of preparation for the proposed program of studies are assessed.

Interviews, examinations, and/or additional documents may be required from the applicant, based on the policy of the particular college or department. Applicants will be notified via individual email should an interview or a separate exam be necessary.

#### VI. Campus Life

##### 1. Housing

- Housing on campus, composed of 2,600 units in 28 buildings, can accommodate up to 4,500 students.

##### 2. Library

- Seoul National University's Central Library has been improved since it was built in 1946. It is well equipped with modern facilities and a wide range of resources. As well as the Central Library, students can access other individual libraries located at and operated by corresponding colleges.

##### 3. Club Membership

- There are more than 100 different clubs registered and actively running, covering various areas of interests including sports, culture, performing arts, academic fields, religion and etc.

##### 4. SISA(SNU International Student Association)/IGSA(Int'l Graduate Student Association)

- A community organized for international students

## 5. Academic Support

- To support international students, there are a number of programs offered: Korean language/culture classes, courses taught in English, classes available online, workshop/tutoring sessions for thesis writing and counseling programs for study and research.

## 6. Supporting other things

- As well as the academic support, International Office provides other supports and services to make students' life easier and more convenient. Career Development Center offers career counseling and job consulting. Moreover, students can be benefited from mentor-mentee program, SNU buddy program, counseling program and culture programs as well as easy access to various restaurants, cafeteria, and medical services.

## VII. Important Notes

## 4. BUSAN CITY

Silla University is located in CitBusan, a bustling city of approximately 3.6 million residents, is located on the southeastern tip of the Korean peninsula. The size of Busan is 768.408km<sup>2</sup> which is 0.8% of the whole land of the Korean Peninsula. The natural environment of Busan is a perfect example of harmony between mountains, rivers and sea. Its geography includes a coastline with superb beaches and scenic cliffs, mountains which provide excellent hiking and extraordinary views, and hot springs scattered throughout the city. Busan enjoys four distinct seasons and a temperate climate that never gets too hot or too cold.

Busan is the second largest city in Korea. Its deep harbor and gentle tides have allowed it to grow into the largest container handling port in the country and the fifth largest in the world. The city's natural endowments and rich history have resulted in Busan's increasing reputation as a world class city of tourism and culture, and it is also becoming renowned as an international convention destination.

## III. Campus Guide & Important Notes

1. Campus Guide (Resident Hall, etc.)

### World Top 10 University by 2030

#### 1) VISION

World leading university to advance science and technology for the prosperity of humankind through convergence in science and technology and by cultivating creative global leaders who will usher in new scientific paradigms.

#### 2) GOALS

To be ranked within the top 20 science and engineering universities by 2020 and within the top 10 by 2030

- **Education:** To cultivate leaders that excel in science and technology

- **Research:** To cultivate Nobel Prize winners as well as globally recognized scholars by 2030 (Winners of Fields Medal, Lasker Award, Curie Award)

**3) STRATEGIES:** Creativity, Interdisciplinary Studies, Globalization,

#### 4) Competitiveness

- **100% English lectures for all the curriculum**

- **Strong support by government as the first incorporated National university in Korea**

## School Facilities

### 1) Library

UNIST Library can provide faculty, staff, and students with a variety of information and digital data bases such as E-theses, journals, audio-books, periodicals, especially E-education materials, and E-books, to give users online access to high quality educational resources.

### 2) Dormitory

UNIST Dormitories are cozy apartment-style lodgings with separate heating and air conditioning. The dorms also play a role in developing global networks among students as the residents use English as a medium of communication.

### 3) Sports Center

Sports Center has swimming pool, squash court, indoor golf training court and fitness center. UNIST offers all of these facilities for students as well as community.

### 4) Center for Healthcare and Counseling

A welfare agency protects and promotes UNIST member's health of mentality and body. We provide health screenings, immunizations and health assessments, including consultations on health, disease treatment and prevention activities, first aid, individual counseling on psychological testing, group counseling, mental health counseling, and workshops,

### 5) UNIST Career Development Center

This center provides internship and leadership programs, career counselling, and employment preparation services in order to assist students.

## Introduction of Ulsan city

Ulsan (officially the Ulsan Metropolitan City), is South Korea's seventh largest metropolis with a population of over 1.1 million. It is located in the south-east of the country, neighboring Busan to the south and facing Gyeongju to the north and the Sea of Japan (East Sea) to the east.

Ulsan is the industrial powerhouse of South Korea, forming the heart of the Ulsan Industrial District, which is home to the world's largest automobile

assembly plant operated by the Hyundai Motor Company, the world's largest shipyard operated by Hyundai Heavy Industries and the world's third largest oil refinery, owned by SK Energy. In 2008, Ulsan had a GDP per capita of \$63,817, the highest by far in South Korea.

## Fellowship programs to nurture world class scientist and scholars

UNIST provides graduate students with RA/TA financial support that covers tuition fees and minimum living costs every month, for graduate students who take on the role of research or teaching assistant. (Selected students are not allowed to also hold other scholarships during the same period)

### The amount of RA /TA scholarship & stipend

#### Engineering Field

Master's students: Above KRW 1,140,000 / month (KRW 13,680,000 / year)

Doctoral students: Above KRW 1,340,000 / month (KRW 16,080,000 / year)

#### Management Field

Master's students : Above KRW 1,040,000 / month (KRW 12,480,000 / year)

Doctoral students : Above KRW 1,240,000 / month (KRW 14,880,000 / year)

### Nine Bridges & Star Fellowship

- **Who may apply:** Excellent students in combined master's-doctoral or the doctoral course(including freshmen)who have outstanding research ability and performances

- **Amount & Terms:** Max.90,000,000 KRW for 3 years

- **Other benefits (Optional):**

opportunity of dispatch to world class lab for more than 6months +  
dispatch expense max. ₩30m.(optional)

- Research/thesis guidance from both world class scholar(including Nobel laureates) and one of the UNIST faculty

※ Applicants who want a dispatch to world-class scholar's lab should submit additional research plan during dispatch period to an overseas scholar's lab
